Horniman Museum

On the 2nd August we attended the Horniman museum with some of our families. They had the opportunity to explore the museum and in addition we provided them with tickets to access the aquarium and the Robot Zoo exhibition..

"O loved the museum and the fish, we had a great time! Thank you".

Hyde Park

We had a great day at Hyde Park Education Centre on the 7th August. We were joined by 21 children and 10 adults on this trip which involved finger painting, making clay animals, pond dipping, nature trails and access to the sensory room. At the end we had a picnic and all children enjoyed playing together in the park. Taxis were booked for all families so they could travel comfortably to and from Hyde Park.

Fun Fair

We received free entry and free rides for the Burgess Park facilitated by Irvin Leisure. Families had a great time!
"We both enjoyed the visit to the funfair, I didn't want to leave".

Asked for a rating 1-10: "Rated 198, we had a marvelous time!"

"We had a great time at the funfair. It was brilliant to have access to rides. Great variety for all ages. We would rate the outing as Thank you so very much KIDS for the opportunity to go along to the fun

Book donations

Following an appeal to publishers to donate children's books to our service we have received over 250 books for us to use or hand out to families.

We also received donations of umbrellas and back packs to make our journeys a little easier!

KIDS NEWS

Facebook Parent and Carer Group

Some of our parents have set up a parent and carer group to share experiences, advice and stay in touch. Everyone's contributions would be greatly appreciated and we would love to build up the group with lots of parents and carers joining.

www.facebook.com/groups/KidsSouthwarkParentandCarersNetwork

Please ask your practitioner for the password as it is a closed group.

Autism conference

Our team attended the annual conference of the Early Years Autism Team recently. They had interesting speakers and various services providing information to parents. We received some lovely feedback from families we have worked with in the past and who we met again at the conference.

All the best for 2018

We wish you all a lovely time over the Christmas period and all the best for 2018!
