Nell Gwynn Nursery School

Lynne Cooper, Executive Headteacher
Philippa Baker, Head of School & SENCO

19.12.'17

Dear Parent/Carer,

We have an exciting opportunity to open up a fourth class in January 2018, due to growing numbers of children across our nursery. An experienced member of staff, Wen Shao, will be undertaking her Qualified Teacher Status supported by long standing teachers and she will take the lead in the fourth classroom.

Commencing in the New Year, each classroom will be staffed with a Class Teacher and Early Years Educator to enable the fourth class to open. Although your child will remain in the same class you will be informed in January whether your child has a new Key Worker.

It is important to remember that we have free-flow play within our nursery to enable children to spend time in different rooms and outdoor areas. Children are free to spend time with children and adults as they so choose regardless of our classroom structure.

We view this change as positive growth for Nell Gwynn Nursery School. It will enable us to expand the number of children on roll and further develop our experienced and highly creative staff team. If you wish to discuss this matter further then please do contact the school to make an appointment with the Head of School.

Have an enjoyable and restful Christmas. We look forward to seeing you in the New Year...

Warmest wishes,

Pippa Baker
Head of School and SENCO
