Following two successful workshops, we have used your ideas to come up with some improvements to help make your streets healthier and safer.

This includes some ideas about reducing parking pressures in the area as well as ways to help pedestrians and cyclists on busy roads such as Commercial Way and St George's Way.

Come along and let us know what you think of the design options.

**Wednesday 21 March 2018, 5.30pm to 8pm**

**Location** - St Luke's Church Peckham, Chandler Way, Peckham, London, SE15 6LU
