Nell Gwynn Nursery School

Lynne Cooper, Executive Headteacher
Philippa Baker, Head of School & SENCo

12th February, 2019

Dear Parents/Carers,

We wish to inform you that the ENGIE site team, who are overseeing the Meeting House Lane New Build Scheme, have provided us with an update on new developments. They plan to start the demolition of the old Area Housing Office in the week commencing **18th February 2019**. The demolition works will take approximately **six weeks** to complete and will be commencing between **8am and 5pm**. There will be noise and dust at times however they will endeavour to minimise the impact on the school.

ENGIE will be erecting the second phase of the hoarding around the site on the **18th February, 2019**. As the hoarding will extend onto Meeting House Lane, parking around the site and on the opposite side of the road from 100 to 136 Meeting House Lane will be suspended. A Temporary Road Traffic Order has been granted to allow for a partial footpath and carriageway closure with a pedestrian light-controlled crossing for safety. This will commence by the **15th February, 2019** to mitigate any dangers to drivers. Double yellow lines will be painted on the road from 100 to 136 Meeting House Lane (Queens Road Surgery). The traffic lights and double yellow lines will be in place for **69 weeks**. ENGIE apologise for any inconvenience caused during this time.

Kind regards,

Pippa Baker
Head of School and SENCo
