Dear Parents/Carers,

SGN have advised us that they will be continuing their work to replace the gas pipes around Peckham and East Dulwich from 16 June.

They will work be working in the following roads.

Phase two

Our engineers will start work on 16 June for approximately ten weeks in East Dulwich Road between the junctions of Worlingham Road and Peckham Rye. We will need to install temporary multi-way lights for the duration of the work.

Further details can be found on the SGN website
