You are not alone on this journey

WHAT IS THIS GROUP?

- Share SEND information, news and updates
- Signpost parents and carers to services and support available in Southwark
- Share experiences and ideas that may help other families
- Support one another through the ups and downs of the SEND journey

WHO IS THE GROUP FOR?

For parents and carers of children and young people with SEND living in Southwark.

Whether you are just starting your SEND journey or have years of experience, you are welcome here.

CREATED BY

Created by a Southwark parent of 3 children, including 2 on the autism spectrum.

This group was created to give Southwark SEND parents and carers a safe, friendly and supportive space to connect, share information and learn from one another.

WHY JOIN?

- Stay informed
- Get support
- Share experiences
- Find useful resources
- Connect with other Southwark families

PLEASE NOTE

- I'm always happy to share information, signpost services and explain SEND processes where I can.
- However, I can't write support letters, provide references or confirm someone's membership of this WhatsApp group for official, legal or professional purposes.
